6" Flat Faced Cutter

Part Number GR5

4 Oz. Wgt.

Specially Designed for the Plastics Industry...

Our most popular model!

UNIQUE... made from our own dies and produced in large quantities, this flat-faced, flush-cutting plier is ideal for small to medium parts where much repetitious cutting is involved. Lightweight and good balance reduce operator fatigue without sacrificing quality..... AND the price is right!

New Hardened Spring...

5 times longer life!!!

Years of research have produced this new spring... good for 100,000+ cuts vs. 20,000 average for most pliers.

- Precision blades cut with a 'snap'

Lightweight (4 oz.)
+ perfect balance =
less operator fatigue

Bonded plastic grip

Electronically hardened cutting edge

Flat Face for flush cutting
